

Server Up-/Downgrade
(Please fill out completely.)

Concerning Keymachine[®] with KM-Nummer:

Name/Company: _____

Contact person: _____

Customer number: _____

Cancellation and Deactivation
of the Server named above, desired for:
(only possible towards the end of the month)

Product name of
the newly ordered server:

order at:
(date on which the new server has been
ordered via our online ordering system)

Herewith, I confirm being the holder of the server named above. The data have been completely transferred to the new server and working on the previous server is finished, respectively.

Please carry out the **deactivation** by the time given above.

It is being agreed upon that the present server will be rented for one further month after providing you with your new server, in exchange for paying a setup charge for the new server.

I have noticed, that transferring previous IP addresses **cannot** be realized, technically.
